The weather has been changing in our area and we know that the winter months are coming. We love the day time temperatures in the low 70’s and the evening being cool in the mid-30’s. Of course many of you think we are probably crazy but for those of us who don’t or haven't had the opportunity to be in the warm climate during the fall and winter seasons, we know no better. We think change is good until we find out differently.

Our rally grounds are certainly changing. As I mentioned last fall we are doing some leveling of Section A. The cold weather came faster than anticipated which stopped the leveling. Of course the spring rains changed our plans again so the dirt was so wet we couldn’t move it without making a huge mess. Those of you who came to the Grand National Rally saw our large hill of dirt, which we called “Boot Hill.” Things are taking shape as the dirt is moved and leveled and the 50-amp electrical is being installed.

I would also like to make a pitch about the WIT Duffers golf Special Interest Group. The past president has resigned and will no longer be able to conduct or organize the Duffers tournament during the Grand National Rally. I hate to see something as fun as this to come to an end. There are a lot of golfers out there and I would hope that someone would step up and keep this group going. We will help you as much as we can take this over. You have one meeting per year and that’s on the golf course. I don’t know if it could get much easier than that. Of course there is a bit of soliciting for prizes but that shouldn’t be a huge effort as we do have all the information from the previous president. Someone please consider taking this over to continue the fun. Maybe...

Here it is the end of July and the end of another successful GNR! Things are quieting down here and we are catching up on our final meetings and tasks before heading out west again. We had a great time visiting with our friends from all of our Western states who attended, though we are so busy we didn’t get to spend as much time as we would like with any one group. We also got to meet with lots of nice people from the East, some of whom were already good friends and some new friends we look forward to seeing again next year!

It’s always pretty neat to get here before the crowd and watch as the grounds slowly fill up, first with the volunteers who come in early to help prepare the grounds, then our parkers and front gate crew and finally the gates open and all of our guests/friends come flooding in and the fun begins! There were so many things to keep everyone busy - seminars, craft contest and classes, a variety of fun games, chili cook-off, pie eating, some even got a chance to dunk Andy, Butch and Doug in the dunk tank, ice cream for everyone and great entertainment in the amphitheater and the white tent. And who could forget Melvina and the row parties, the Wag Walk for our pets and that only skims the surface! We do our best to have something for everyone. We hope all of you who attended were able to fit in at least most of the seminars and activities you were interested in and that you had a great time. There are so many things going on it’s impossible to fit everything in, but we hope you were able to get in most of what you had on your to-do list and that you’ll come on back next year and maybe you can pick up where you left off!

While we were here, we moved into our new 2014 38Q Adventurer. It is a nice and roomy new floorplan and we look forward to spending the next few months putting it through the paces and showing it off at the rallies we attend. We are heading out for the Colorado and New Mexico rallies, then back to Minnesota and Missouri for their rallies. Then it’s out to the west coast for the trek through Oregon, California and Nevada to enjoy the hospitality at their rallies. From there we’ll head across to Texas to finish off the last of our Western area rallies for the fall. I’d say by then the Adventurer should be pretty well broken in. We’ll be home for the winter for some much needed rest and to spend time with family and friends back home for the holidays to rest up (and get in some fishing) until the spring. So if you’re at any of those rallies we’ll be seeing you and enjoying some good times and making wonderful memories.

Since you will be reading this in Oct./Nov. this is a good time to remind you that you can send in your 2014 outing schedule as soon as you have it together if you haven’t already. If it’s not all done, send in what you have to Brynn at witclubnews@winnebagoind.com for publication on the web. It can be updated as other outings are finalized. Remember that many who spend time on the road are already planning their trips for next year and may be in your area to stop and visit. Items to be in the Jan./Feb. issue of the WIT Club News must be in no later than November 1. This would be a good time also to check out the Club and Chapter of Excellence forms and see if there are any criteria that you can work on during the winter months, such as touching base with dealers in your area to plan for a Show and Tell in the upcoming year.

For now we wish all of you a Happy and Blessed Holiday season! Enjoy the winter and we look forward to seeing all of you on the road again in the spring! Until then ~ From the Welcome Winnie ~ Happy Trails and Safe Travels ~
“Howdy, Pardners” – “head ‘em up, move ‘em out” – and cowboy boots and hats— they’re all but pleasant memories now.

The Grand National Rally, WIT’s Wild West, was a real boot-stompin’ good time with friends, fun, and food all threwed together an’ stirred up real good! As for friends, we hope you got together with some old ones and also met some new ones. The fun proved itself in the pie-eating contest, the WIT rodeo and other games, and row parties, and more. The food was yummy—walking tacos were welcomed back with enthusiasm, Waldorf College did a good job at the Food Pavilion, and the ice cream at Scoopy Doo’s was a big hit every evening—oh, and did you check out the Watering Hole? The week just seemed to fly by, didn’t it?

GNR is always an amazing experience for us; we (and Andy and Jeanie, the Western Area WIT Club reps) usually arrive on the scene about 3-4 weeks ahead of time. The rally grounds look vastly different when empty and freshly mown—very peaceful and quiet—and lonely. Then coaches start arriving – teams of volunteers are first—and then soon we are parking coaches for pre-rally week. Then, before we know it, GNR – and all the seminars, craft classes, rally/caravan reunions, pet parade, etc. were done. And slowly, but surely, the rally grounds return to an empty field—but this time, there are memories literally etched into the ground. We can look over the field and see where you’ve been—the state and club row signs may be gone, but the well-traveled tracks in the grass speak loudly of all the good times.

Most of you are home by now (or getting ready for your winter trips south) and back into your routines of daily life—and so are we (back into the routines, that is!). GNR was over on Friday; and on Saturday, we loaded up “our” new Adventurer 38Q and headed for Wisconsin’s state rally in Richland Center. They had so much fun “whoopin’ and hollerin’” at GNR that they continued the western theme for their rally! The “three amigos” (stuffed cowboy figures in the theme of Blazing Saddles) that decorated their head of row at GNR were present—minus the sound effects! Maybe its because the cans of beans didn’t make it back to Wisconsin! There was lots of good, home-cooked food, local-based entertainment in the evenings, and cool, brisk nights that were good for sleeping! We enjoyed your hospitality, Wisconsin, and the sweet corn!

As you know, there is a lot of behind-the-scenes work involved in putting together the Grand National Rally. There were lots of folks who volunteered and we’d like to give a “shout out” to all of you—the sign crew, parkers, front gate people, all those who set up the field prior to GNR, and all those who volunteered during GNR on the people movers, or assisting with seminars or games, etc. The old adage “many hands make light work” was well-proven.

This is not only true for GNR, but for all our state clubs and (local) chapters, as well. If you enjoy the WIT Club in all its aspects, please consider supporting your club or chapter by accepting an office. Not only is it a great way to really get acquainted with your fellow members, but you will also be contributing to the life expectancy of your club or chapter. Officers are “vital organs,” so to speak; and just like we can’t do GNR without the volunteers, the clubs and chapters can’t do it without you. All of us, working together, is what makes the WIT Club such an enjoyable part of our lives.

So now that you’ve had a little pep talk—we’re excited about, and hope you’ll be back to join us next summer, for when we blast off the WIT Club’s Grand National Rally, “Out of This World.” The first moon landing occurred 45 years ago, and this will be the 45th annual GNR, so set your course on the second star to the right. May the WIT force be with you, may you live long and prosper—oh—and everybody remember where we parked!

And, as always, if you see us on the road, don’t forget to wave! Nanu nanu!

July: Thirteen rigs carrying AR license plates arrived at the rally grounds during the few days preceding the opening ceremonies on Sunday evening. We decorated our golf cart into a covered wagon for the parade of flags with Elvan Ford carrying the AR state flag. The WIT tours tent had been open and Betty Bolte and the Booths had signed up for the New OR Coast Caravan next year. The weather so far has been nearly ideal with comfortably warm days and cool nights. The seminars, as is typical, have been varied and interesting. The evening entertainments are fun. One evening was the time for state row parties and the next evening was the classic car parade. They even had ice cream available on the grounds—no more driving into the city for an ice cream fix.

June: Camping at Grand Lake in Grove, OK was the destination for the Ark-A-Bagos in June. Those arriving at the Cedar Oaks Campground on Sunday were Bolte, Brandes, Ford, Harris, Kadrzynski, and Perrenoud—all to spend the afternoon visiting and enjoying the beautiful lakeside view and the cool June weather. On Monday, Matthews joined the group. We found Ken and Donna Zwiegel of the OK Green Country Winnies chapter with their motorhome on site. They live in Grove and chose to join us as our native rally hosts. They started us off on the right foot by directing the Bagos to the Lazy Parrot for our dinner Sunday evening! All of us enjoyed the food as well as another view of the lake and the gorgeous sunset.

Monday, Donna gave a tour of Grove and the available shopping opportunities in town. We went to a great kitchen store, resale and antique stores, as well as a yarn store. We learned that the yarn was from Alpacas grown in the area and next time we may have an opportunity to tour their farm! Ken gave the guys a tour of The Grand Lake via his boat and took them for lunch at a restaurant on the water. Later we were all found back at camp sitting under the shade trees enjoying the breeze off the lake and listening to a couple from AR playing a fiddle and guitar. One a former banker, one a former school administrator, learned to play after they retired and now play with a group of family and friends for entertainment and fun. Many of us thought there might be hope for us! We welcomed new club members, Kip and Cecelia Benson from Flippin, AR, with their new Vista. We also were joined by new friends, John and Shirley Forrester, of the Green Country Winnies and who also live in Grove. We had such a good time with our OK friends joining us. Thanks for coming!

On Tuesday, we visited the Coleman Theatre in Miami, OK. It was originally a vaudeville theater and movie palace opened in 1929. It is a beautiful building with an opulent interior in the Louis XV style. It was built by a local mining magnate and donated to the city of Miami in 1989. Extensive renovation has been accomplished by a group committed to its preservation. We were given a guided tour and learned much of the history of the theater. Many famous entertainers from Hollywood came to Miami to perform, which is amazing given the size of the town. Later, silent movies were accompanied by music from a Mighty Wurlitzer Pipe Organ and it's still in use today. What a treasure from the past! Our next stop was for lunch at the famous Waylan's Kuku on Route 66. We were treated to food as well as Route 66 memorabilia depicting a former era. The restaurant is well known for its hamburgers and its giant Cuckoo clock. We also stopped at the J and M Mushroom facility and although we were not able to take a tour, we were able to purchase beautiful mushrooms. Many of us had never had mushrooms so fresh! We bought button, portabellas, and shitakes. After resting a bit, we all went to the Rib Crib and then retired to the RV park for some lively games. We were joined by John and Shirley just in time to enjoy the ice cream sundaes provided by Bonnie and Ernie. What a treat!

Omelets were on the agenda for Wednesday morning before our quarterly business meeting. Betty whipped up made-to-order omelets as Mary Ann, Bonnie, and Dee helped. What a fantastic way to start the day. Thanks, Betty! Games were enjoyed by all for the remainder of the day. We all got together in the evening for one of our famous potlucks, followed by more games. We also had entertainment by another group staying at the RV Park. They were in Grove for a bluegrass jam fest, so they were practicing in the recreation building next to ours and invited us to join them. It was great realizing that many of the musicians had learned their skills after retirement and some were even self-taught. Some had been professional musicians but many others just enjoyed the love of music and getting together. Most of the group had been playing together for over 30 years and entertain in McAllen, TX RV parks during the winter. It was heartwarming to see the group having such a good time with their music and sharing their talents. Some of us would love to learn and join them.

During the week, we had many beautiful tournament fishing boats sitting in the RV park to admire. Some of our guys ventured out very early on Thursday morning to see the launch of the FLW Bass Fishing Tournament event on The Grand Lake. Forrest L. Wood, founder of Ranger Boats of Flippin, AR, along with Wal-Mart, are the key sponsors for this fishing series. Many of us were awakened by the roar of the outboard motors as they launched and were racing to their favorite honey hole fishing spots. After waking up to the boats flying by, some of the group went out for breakfast. The afternoon brought more bargain shopping while the guys also saw an original strip of the Highway Route 66. The ladies toured more resale and antique shops and had lunch downtown at Chickenella’s. We were all curious about the name and were told it means “female” friends supporting one another. We had a
fun time and they made us feel very special. The end to a great week came all too soon. We had enjoyed games, music, visiting, and seeing new sights, all while making new friends. Welcome to our new members and new friends! Thanks to everyone who made it a great trip!

COLORADO

Colorado Columbines
Local Chapter
By Dick Dugdale

June: Early June found the Columbines in southern CO at the KOA in Colorado City. It is a favorite spot with an outstanding owner and staff serving up great CO hospitality. This campout was a laid-back weekend of doing your own thing mixed in with the obligatory happy hours, a potluck dinner, and sprinkled with endless conversations. Enjoying the weekend were: Atencios; Veneables; Bowmans; Reinerts; Bakers; Dugdales; Stanley; Nordstroms; Liesers; Jefferies; Cousins; Brownes; Kyes; and Sheri Dugdales; Stanleys; Nordstroms; Liesers; Veneables; Bowmans; Reinerts; Bakers; Dugdales; Stanley; Nordstroms; Liesers; Jefferies; Cousins; Brownes; Kyes; and Sheri McFarlane and her guest, Paula Edwards. We also had new Winnebago owners, Jeff Rumrill and Barbara, join our potluck and were invited to join the Columbines.

Sunday noon we all drove into the San Isabel National Forest, past a beautiful lake, heading for the Ponderosa picnic area. With a stream running beside the picnic shelter, it was an ideal place to spend the afternoon as our wagonmasters, Jim and Joy Atencio and Jim and Vicki Venable, cooked our lunch. What a great way to spend Sunday afternoon! In the process, we enjoyed chocolate chip cookies, watermelon cooled in the stream, and birthday cake to celebrate Jim Atencio’s birthday!

We got back from our forest adventure just in time for happy hour and to eat out at Obie’s Filling Station. Many thanks to our hardworking wagonmasters for a very relaxing weekend outing.

July: This year’s theme of “Wild West” had these Columbines enjoying the hospitality of WIT and Winnebago. In attendance were: Klibbe, Kness, Reinert, Bowman, Larsen, Kyes, and Dugdale. From Sunday through the following Thursday, the days were filled with seminars, eating, entertainment, eating, fellowship, and eating.

Daily seminars included a variety of topics. The entertainment was great during the day and the evening shows. The vendors in Friendship Hall were eager to sell you things, some of which you didn’t know you needed. And for the nineteenth consecutive time, the CO Columbines were awarded the Chapter of Excellence.

One of the traditional highlights of the GNR is Tuesday’s row parties, where each state row seeks to impress others with food and drink from their state. CO featured cowboy stew and margaritas. MN served wild rice soup, KS had peach fuzzies, WI served cheese curds and sausage, while TX had their TX trash. While the Columbines brought back a number of new things from Forest City and GNR, the best was two new members to the Columbine family. Meet our newest members: Don and Terry Cohen and Kathy and Paul Miller.

ILLINOIS

Illinois Indians
State Club
By Christy Burke

The IL Indians June outing was a busy and laughter-filled event. While six units arrived on Tuesday, more than twenty plus units were added on Wednesday as well our vendor, RV Weigh. We welcomed new faces including guests: Stan and Barbie Shafer; and new members, the Ensingers, the Scullys, and the Ringbergs. Wednesday’s opening ceremonies were lead by Jack Slater of Four Winds, with a flag entrance by Lonnie Dukes and Harvey Martin followed up by the officer’s barbecue. It goes without saying that so many delicious offerings were tabled before us that everyone had plenty from appetizers to desserts. We continued the fun in the evening when the Fox Valley chapter who had games for the weekend started cards and bingo for the crowd. In addition, a golf planning meeting was held so the fourteen players could join into teams for the next day. No wife on a team with her husband and no team without at least one woman.

Thursday the golf outing went off without a hitch at Shagbark Golf Course and was lead by Jerry Bican. The scramble was won by the three-person team of Rick Burke, Laurie Schleich, and Ken Phillips. Back at the fairgrounds, the Quad Cities chapter kept the drinks going all day and Fox Valley lead several games. Very fun! The Winnie Poos were also busy decorating the building and stage, including their huge tepee! That evening was a happy hour potluck with plenty of food again. Our members’ forum highlighted 3 chapters’ outings: Quad Cities, Cardinal Capers, and Four Winds. Chuck Borcher operated the slide show and over 40 people who watched the presentations learned of new places to go and things to do. After this, Fox Valley again lead bingo.

Friday “everyone else” arrived, including some new members: Ed and Vina Haggerty, Little Egypt. The silent auction and flea market got started lead by Bob and Laurie Dukes as did the book fair lead by Gerri Baader. Winnebago of Rockford had three coaches open for viewing and Best Badges
Club, Chapter & Rally News

Plus was selling at their booth. Ladies and some girls, too, participated in the tissue-stained glass craft, lead jointly by Claudette Slowik and Christy Burke of the Windy City Winnies. Our new member, Melva Ensinger, Little Egypt, was very kind and helpful with cleanup afterwards. The objects de arte turned out unique and lovely. In the meantime, the men had a seminar put on by RV Weigh and the kids had both crafts and games lead by Chuck Borcher, Chuck set up a geo-cash for the kids to find which turned out quite fun for all. The evening saw us enjoying a catered dinner; 50/50 raffle lead by Joyce and Dick Jones of the Winnie Poos; and the Wes Wheeler, Nashville Unplugged show.

Saturday was a big day with a cooked breakfast courtesy of the Four Winds and Windy City clubs. Again games were played on the lawn lead by Fox Valley. There was a craft contest organized and lead by Gerri Baader of the Prairie Scooners. The ladies outing drew 30 ladies to the gathering where they enjoyed lunch and shopping at a very reasonable charge, thanks to the efforts of Roxann Parise of the Prairie Scooners. In the afternoon, we had our ice cream social and general meeting. We were told to scoot so the Winnie Poos could finish decorating for the dinner. Before dinner was the most amazing ever costume contest with dozens of Indians and cowboys and cowgirls and young ones also in costume. There were so many good costumes it was hard to select, but finally a cowboy and girl (both from Quad Cities) were chosen and an Indian man and woman (both from Windy City.) Check our website to see the winners. We had our catered dinner followed by our silent auction prizes, money hat worn by Roxann Parise of Prairie Scooners and won by new members Ed and Vina Haggerty. Our entertainment was the Dave King Quintet who played excellent dance music. Laure Dukes put a burr in the saddle by telling the band leader to announce that “everyone was to get up and dance...with someone else’s husband.” This turned out to be the most fun of all and an excellent photo opportunity.

Sunday we didn’t slow down. The normal donuts and coffee were served, but it was followed by a short devotions service by a reverend from a Christian church in Watseka. Shortly after that Linda Burlison, Little Egypt chapter, lead us in making butterflies from material and pop bottles. This craft was easy for children and adults and turned out several lovely projects. A good cross-section of club members attended. The soup and sandwich luncheon was again well attended and lead by Christy Burke of the Windy City Winnies. We just about doubled our number from April. Some coaches were outside being weighed by RV Weigh on their way to the dump and things were wrapping up until next September.

Quad City Winnies
Local Chapter
By Don Steinhagen

August: The August meeting of the Quad Cities Winnies was held at Saylorville Lake, just north of Des Moines, IA on Aug. 13-17. With great weather, nice days, cool nights, eight coaches were in attendance, each on a very large, paved spot.

Wednesday was a great day as we had a tour of the capitol in the morning and Terrace Hill, the governor’s home in the afternoon, followed by a potluck and campfire. Thursday it was off to the Iowa State Fair in Des Moines. You name it, we saw it, and enjoyed everything on a stick from eggs to pork chops. We also ran into the governor. John and Connie brought their boat, so rides were available to all. Homemade ice cream was a Friday afternoon delight!

The day ended with guess what—an other campfire and Saturday most folks headed for home.

July: The IL State Rally was the site of our June 26-30 outing in Crescent City. Our chapter had four coaches in attendance. We enjoyed the activities planned by the state group, held our meeting, and made sure the drinks were made and refreshed. Mike participated in the golf outing on Thursday. Bill and Jean toured Fair Oaks Dairy Farm, as this was their first outing. Bill and Jean were also big winners of two rounds of bingo held on Wednesday night. Connie and Dianne attended the craft session (tissue paper stained glass). Vicky and Connie entered their crafts in the contest and both won ribbons. Friday evening’s entertainment, Wes Wheeler, was enjoyed by all. The man is amazing as he is a one-man show and keeps you entertained. The Saturday evening catered dinner and entertainment was also nice—the Dave King Quintet. Many enjoyed the dancing.

The weekend wrapped up with breakfast, devotions led by a local clergy, and goodbyes to all.

Windy City Winnies
Local Chapter
By Kathy Hegg

The Windy City Winnies and the Fox Valley Winnies held a combined outing at Kentuckiana Kampingground in Hopedale, IL, on Aug. 8 - 11, 2013. There were a total of twenty-one coaches in attendance. It was a wonderful time meeting people from another chapter during this outing. There was plenty to do over the weekend, including visits to the casino, dinners out at local restaurants, happy hour drinks and appetizers, morning coffee and treats, and shopping at local garage sales.

On Thursday evening, a group of people attended a dinner theater production of “The Odd Couple” (the female version). Everyone enjoyed the play and dinner. On Saturday evening, we were entertained at the campground by a local band that performed music of the 1970s.

We enjoyed meeting new friends and visiting with people in our individual chapters.

Who’s Yur Winnies
State Club
By Kathy Rieck

The Who’s Yur Winnies outing was held June 20-23. It was hosted by the Meanderers’ officers: Scott Feichter, Carol Thomas, and Bill Newcomb. The outing was held at the Fox Lake Campground just south of Portland, IN. The roads and campground aren’t the friendliest for big rigs, but the manager did know the park and could guide anybody into a good spot—even me. Gene was happy he had satellite and I was happy with full hookups. Is this really camping? The campground is very nice and we had use of the buildings for meals. We had eighteen units total. A few units were there on Wednesday and went into Portland for Mexican food. We had a pitch-in on Friday and ended up with three Crock Pots of meatballs. The state and local meetings followed dinner. Saturday the campground had several events scheduled, including a spaghetti dinner.

Friday afternoon we had a chance to tour the Jay County Courthouse built in 1916. It had stained glass windows, marble walls, and staircases. There was beautiful oak woodwork throughout the entire courthouse, with the exception of one room with cherry wood. Those of us from the big cities were amazed that there were no security guards, no metal detectors, just people walking in and out. The courthouse had a central vacuum cleaning system put in when it was originally built. We also got to see the inside of the holding cell that the sheriff’s department uses to hold prisoners awaiting trial. The courthouse is a very fascinating place to see if you are in the area. The town is also full of shops and the area has lots of Amish farms and other interesting towns to visit.

Several used the room in the main building or Gish’s coach to play games every night until early morning. John Ellis kept the campfire burning from early afternoon until really late. I have no idea how much wood he burned but we had some great fires.

Those who like to geocache were in heaven because the area has lots and lots of very old cemeteries to hide them. There were some very wooded, overgrown areas that the faint of heart would not get out of the car for. Maybe just a bit shy of poison ivy and ticks and things that slither?

It was a very good place to sit and visit or go and see the sights. I think everyone found something fun to do.

Motor City Winnies

We had forty coaches in Covenant Campground in Otisville, MI for our state rally. Some arrived as early as Tuesday, but if they did, they had no electricity or water. Large groups went to area restaurants; and Butch and Becky Moore, our area reps, held a nice fire on Thursday night. Even though there was a happy hour, the rally officially opened before our dinner on Friday in the dining hall. After the pledge and anthem, Butch and Becky gave us a report on the Winnebago organization. We even found out that Motor Cities will be 40-years old this October! We listened politely, but then...
jumped into our terrific dinner. The food was supplied by the campground and they know how to feed large, hungry groups. They always called us up for seconds! After dinner, we moved down to the Cove Building to watch square dancing led by our own Nancy Love. She did a great job and Larry even helped, too. We tried not to laugh when certain individuals kept ending up without a partner at the end of a turn.

We picked the WIT numbers for a free year of paid dues and the Emersons won it. The big prize winner of $50 in the 50/50 split was won by Bev Simonds.

Saturday started out at the dining hall for breakfast. We then moved back to the Cove to shop at the WIT Store or the other vendors in attendance. We also had a book exchange and collection for the needy. The line went on forever for the WIT store, so we were a tad late starting our meeting in the chapel. Our meeting ended just in time to see the Pampered Chef Seminar. After a wonderful ice cream social, door prizes were handed out and then our own Judy Ruth trained twenty plus women how to braid our T-shirts. She had more faith in us than any of us had. It would have been interesting to tape our comments as we labored away. We tried our best for over an hour, but some of us left unfinished to move outside for the Wild Horses rootin’ tootin’ Fun-time rodeo. It was extremely hot outside, so everyone who participated deserved a medal.

That evening we had our general membership meeting in the Cove. We ended up with the installation of officers. It’s always so much fun when Butch says, “I, state your name,” and most of the men say, “state your name” instead of their own name. I wonder if that means they are not really officers. We had time to pick big prize winners before we went on to another great dinner. Then it was back to the Cove for announcing prize winners and we ended up dancing to the disc jockey, Cuttin Edge Entertainment. What a long day!

Sunday we had another great breakfast. Again, we could have seconds on everything. That’s a dangerous thing to tell a Motor Citian! We said our goodbyes until next time.

The Sundowners spent a great weekend at the Prairie’s Edge Casino and RV Park in Granite Falls June 28-30. Hosts were Don and Kathy Southward and Don and Kristi Southward, Jr. There were thirteen coaches on-site. The relatively small campground is nicely laid out with large pull-through sites; one-way roads; attractive landscaping; and a good-sized, open-sided shelter.

First off was a tour of the Fagen Fighters WWII Museum where many WWII fighter planes, jeeps, trucks, and other vehicles were on display, along with many photographs and other artifacts of WWII. There was also an extensive library jam-packed with books, magazines, and photos from that era. Chapter members were treated to a glimpse into the factory where genuine WWII fighter planes, rescued from foreign countries, are carefully and lovingly restored. Some of those are sold and some go on display. All the planes are operative and are taken out for flights periodically. The tour was well worth the requested donation.

Hosts provided two breakfasts and a dinner, and a potluck dinner was laid out on Saturday. Darryl and Vicki Bonin were in charge of a Yankee Swap game. All the items brought were transferred to brown paper grocery bags, so they all looked exactly the same. Some bottles of wine, some cans of nuts, and a few other items changed hands a number of times, but most were satisfied with their original choices.

Nearly everyone visited the casino at least once over the weekend. No one bragged of big winnings, but losses weren’t disastrous either. It was pleasant to sit outside socializing and enjoying the warm weather.

Winnehahas met Aug. 9-11 at the Alexandria Shooting and RV Park in Alexandria. This is a beautiful facility with 150 sites with plenty of power and water and a dump station on-site. It was quickly determined that the Winnehahas as well as the Sundowners would reserve this place for future club outings. By Friday evening there were seventeen rigs on the grounds, though some had arrived as early as Wednesday.

Friday was an unusually cool day with a stiff, chilly wind. It was a challenge to sit outside and socialize, but nearly everyone joined the happy hour. After dinner at a restaurant, there was a campfire, but most people huddled in their campers while a few played games in the building.

Hosts Dave and Barb Grunzke and Jerry and Char Otteson served two nice breakfasts and
cooks brought out their finest for Saturday’s potluck dinner. A round of card bingo brought a lot of laughs and made a few people’s purses a little heavier. More games and another campfire followed.

Saturday was a beautiful day, but Sunday was perfect. It’s always perfect the day we go home.

We had a great turnout at the August campout—ten rigs made the journey to Pony Express RV in Maysville, MO. In attendance were: Amen, Berger, Day, Finwick, Hughy/Huff, Kennedy, Tuck, VandeHaar, Wollin, and Yetter. We had three soon-to-be honorary members join us on Saturday: Adkins, Blowers, and Jim Derry.

The search committee only had Harold VandeHaar volunteer for the vice president position. We had an extended business meeting. Rick Kennedy was nominated for the position of president. After much discussion, he agreed to accept the nomination only if he has the full support of the membership.

The weather was beautiful, great potlucks, and the sing-along at the campfire with great accompaniment by Rick Kennedy and Arlene Finwick was the best yet.

Aug. 18-21 six rigs gathered for the July Windmill Winnies outing at Royal Mountain Campsites, known locally for Granny’s Ice Cream Stand. Wagonmasters Jim and Martha Bruce and Don and Carolyn Crouch were joined on Thursday by Jim and Nancy Shaw and Ed and Alice Bernat. The remaining two, Harold and Margaret Sadler and first-timers David and Dee Portzer arrived on Friday. Jerry and Betsy Palladino were camping Friday night in their View and were invited to join us Friday night. We were pleased to see them arrive back late Saturday afternoon so had them join us for the rest of the weekend. Maybe new members?

As usual for our campouts, we had terrific cuisine starting Friday night with our hearty snacks and happy hour followed by a walk to Granny’s Ice Cream Stand where a baby cone is about all one can consume. On Saturday we started our day with a terrific breakfast and to an awesome potluck dinner. What great cooks we have. The wagonmasters finished Sunday morning with another big breakfast.

With all that eating, we knew we had to have some activity so we played our traditional beanbag baseball game. The Aces ruled for the first few innings, but soon they were really working hard to keep ahead.

Margaret, Jim, Alice, and Don challenged each other in snack toss. Margaret held the lead for most of the game, but soon the others caught up. After the final throws, Jim did his ‘I am the champion dance.’

Saturday cooled enough that a fire ring was set up that evening. Oh, the RV stories and jokes that entertained all that evening. As always, everyone had a great time over the weekend.

May: May 19, 2013, was our first campout for the season. Twenty people gathered in Warren, MN for a weekend of fun and catching up with all the things that happened over the winter months. The hosts were: Harlan and Pat Rustad, John and Cathy Hillley, Tony Trimarco, and Duane and Sherry Mann.

Past president, Adam Leier, called the meeting to order. The nominations committee presented the candidates for 2013-2014 officers. The elected officers are: Helen Evans, President; John Hilley, Vice President; Donna Grunett, Secretary; and Mark Collins, Treasurer.

Most of the snowbirds were back and ready to start shedding the winter gear. After the potluck dinner, members enjoyed the outdoor theater to watch a movie Friday night. The tour was given by Douglas and Colleen Anderson of Warren, MN. After that, shopping downtown and supper was at Melodies restaurant in Warren. During the business meeting, it was decided that a $50 donation be given to the historical society.

After Sunday morning breakfast, it was time to say so long, wished everyone a safe journey home.

June: June 20-23, 2013, the club stayed at the city campground in New Leipzig, ND. Some of the members arrived Wednesday and the other RVs were in place late Thursday afternoon. A potluck meal was served Thursday evening. This was going to be an exciting weekend that so many of us were waiting for. Two full days, 100 miles of treasures Friday and Saturday, referred to as Highway 21 Rummage Sale. A few of the cities along the route were Carson, Elgin, and Mott. After the continental breakfast Friday, the crowd was off to the best sales. Friday evening we went to Our Place Café restaurant in the town of Elgin.

Saturday morning we were off again to find more treasures. The business meeting was held Saturday afternoon just before going into the town of Elgin to Our Place Café and restaurant for a second night. Our hosts for the weekend were Adam and Judy Leier and Ed and Donna Grunett. Members were asked to bring food items for the New Leipzig food pantry. Cardinal Winnies
Local Chapter
By Rosanne Vassaux

The GNR was held July 21-26, 2013. The Cardinals attending were Mike and Della Vickery, Joan Peskin, Dottie Johnson, Dave and Gail Franke, and Hank and Rosanne Vassaux.

The theme this year was Wild West. They had stage coaches, cowboys and cowgirls, and Indians all over the place. Joan Peskin won a Mercedes cooler in the morning drawing. The chapter won Chapter of Excellence.

We had an exciting last night at GNR. We brought our chairs around the stage to listen to the band. They sang two songs when the sky let loose. It was raining so hard we couldn’t see where we were going. Hank and Rosanne ran for their golf car, loaded up Mike Vickery with Dottie Johnson on his lap and up the hill they went. Then Hank headed back to get Della and Joan who were hiding out in one of the tents. We were all drenched. The next morning, you could see Chinese laundry hanging everywhere.

See you next year. It’s always fun at GNR.

The July campout was held at the Holiday Farms RV Resort in Blue River. The resort has limited cable TV, full hookups with 30/50-amp service, and we had nice wide spaces surrounded by trees, which was nice as we had no building for potlucks or the meetings.

On Thursday night Suzan made some excellent pizza. Some of us were not so lucky and we went out to dinner and missed the pizza.

Friday morning Ivan prepared and served breakfast. Bobbie and Lloyd went out and played 18 holes of golf. Lloyd said he beat him by two strokes on the front nine and he beat him by three on the back. Friday afternoon we had a happy hour in the breezeway of the office/laundry room. There were three tables and chairs for everyone and we had a great lunch. Corrine had me make margaritas and there were plenty of snacks to go around.

Bobbie arranged for us to go to Takoda’s for dinner on Friday night, so seventeen of us were seated out on the patio for dinner. After dinner, Bobbie made a bonfire down by the lake and some of us sat around it for awhile telling tall tales and enjoying the evening.

Saturday morning we had breakfast at Barb and Jim’s. Jim also grilled up a bunch of English muffins, which were excellent. After breakfast Corrine conducted a meeting. We had another happy hour in the afternoon and great potluck outside our motorhome in the evening. We had plenty of space with two tables and everyone brought their chairs. After dinner we had a couple of rousing games. Pat won the first game and Sonja got all the quarters in the second.

Sunday morning people showed up with all kinds of goodies for breakfast and we departed for home.

August: PA had twenty coaches and three coaches registered in another state, but having membership in PA chapters. Eleven of the PA coaches were first-timers.

Monday’s PA Party was attended by thirty-nine members and Butch and Becky Moore, our Eastern Area Reps. Several chapters invited first-timers to attend a campout with the hope they would join. Karen Keller passed out survey forms for new design features, asking everyone to fill them out and return to her. We sold some tickets for the Camp Victory Swedish Weave Throw raffle.

Ken and Rosemary again outdid themselves with their decorations. In addition to what was at our state rally, they created a smaller wagon that was pulled in the parade at the opening ceremony. They also made paper-mache rocks for the fire pit and four horses to draw the wagon. However, first place was not meant to be for PA this year. The award went to TX for best decoration in our category. Once again, our decoration will be used at another state rally.

Tuesday was party night. With the help of many PA members, we were all able to enjoy the festivities. We served Lebanon bologna, Hershey candies, and chips and pretzels from PA companies. We also had a table with crayons and coloring books for the kids and numerous handouts on places to visit in PA. We had a Camp Victory display again this year and raised $200 with the help of Carol Madden who brought attention to our fund-raisers. A special thanks to everyone who pitched in and helped with decorations, PA party, row party, and other functions at GNR.

July: Geography, topography, history, manufacturing, and agriculture—sounds like a few classes we all groaned about in high school! But, in June in the small town of Centre Hall, PA, participants at the PA State Rally had the opportunity to learn all about PA in each of these categories.

All six PA state chapters presented information from their particular area of PA. Outdoor activities, sport teams and events, mountain and lake activities, manufacturers of PA products and oh, those splendid—and very tasty—PA food and drink products. A highlight of the PA State Rally this year includes all PA products in a drawing for the PA baskets—it is the most popular event and well represented by all the state of PA has to offer.

We are very grateful to the many vendors and seminar presenters who attended our rally. We were well informed and versed in the many products and information relating to this wonderful lifestyle of RVing.

As always we enjoyed games, casino night, food, entertainment, food, craft displays, door prizes, food, a wonderful winetasting event from Seven Mountain Winery, a pet show, drawings, and, did I mention great food? Our beanbag tournament had a first this year—a tied game that went into extra innings—to determine the team that would go on to the championship game. The final score of the extra innings was 29-28 with the DE Valley Winnies defeating the Susquehanna Winnies. The playoff game was just as exciting with the DE Valley Winnies going on to beat the Keystone Winnies, 28-21. We’re glad everyone who participated, as well as all the spectators, had a great time.

Craft show entries were, as always, quite the eye openers. We have such a vast amount of crafting talent and it is such a pleasure to see it at the show. First place winner, as well as Overall Best of Show honors, went to Shirley Schriner for the beautiful Christmas globe cross-stitch. We wish Shirley well with her entry into the GNR craft show.
If you missed the rally, we hope you can make plans to join us next year, June 12-15, 2014. A huge thank you to our first-timers and out-of-state attendees. We are glad you came to spend the time with us and hope you had a great time. It was wonderful to meet all of you. We look forward to seeing you again.

Safe travels and good health to all until we meet again in the months to come.

June: The State Rally was held June 6-9 at the Grange Fairground in Centre Hall, PA. We had sixty-four units registered compared to fifty-three last year. Thirteen of those were first timers! Several of them indicated they were very impressed and said they would return next year.

Most vendors were satisfied with attendance and sales. We would like to send a special thank you to Ken and Rosemary Donaldson for the Conestoga wagon and the PA state boxes. It will be going to GNR in a few weeks with the hopes of winning! Thanks to everyone who helped to make the rally a success.

Through sales and donations, $1,600 was raised at the rally. Thanks to everyone who helped to make this happen.

July: Attendees at the Stoney Fork Creek Campground near Wellsboro were: B and Duane Pysher; Kate and Jim Smith; Nancy and Ward Swift, plus grandson, Nathaniel; Jackie and Allen Kohl; Joan and Bob Bower, including daughter, Robin, and grandsons, Conner and Cody; Lois and Dan Gates; and Linda and Dick Calkins. The campground was in a somewhat remote, but beautiful area. We had a few challenges due to the heat wave that hit the state.

Tuesday evening we all enjoyed a big dinner. Wednesday morning under the guidance and preparation of Nancy Swift, everyone enjoyed breakfast. Wednesday evening, we all headed to the cool air conditioned dining room of the historical Penn-Wells hotel in Wellsboro for dinner. After dinner at the evening fireside, Kate Smith brought out her three-at-a-time s’mores cooking holder. They were great and we hope she’ll bring it back at future campouts.

After breakfast and fellowship Thursday morning, we all said our goodbyes and headed out in sweltering heat towards home.

June: Our June campout was held at Pequea Creek Campground in Lancaster County. Getting to the campground was an experience due to some narrow back roads. But once we arrived, our sites were level and the campground was well maintained.

Members attending were: Smith; Pysher; Perusse; Reinhart; Bower; Lee; and the host, Brower and Donaldson; and, of course, Witley. Bob and Joan’s daughter, Robin, and grandson, Conner, along with a friend of Conner’s, Cody, were also at the campout.

Friday night was a potluck dinner and as usual, there was more than enough to eat. After dinner, we sat around the campfire and enjoyed each other’s company.

Saturday breakfast was potluck and after breakfast, we had our meeting. President Jim Smith administered the oath of office to Cindy Reinhart as the new Vice President.

Burton Lee won the 50/50 drawing.

On Saturday, Bob Bower spent most of the day dropping Robin, Connor, and Cody at the covered bridge and picking them up at the walk bridge because they were tubing down the Pequea Creek. Cindy Reinhart decided that it looked like so much fun that she got her tube out and walked up to the covered bridge and tubed down the creek a few times. Not to be outdone, Duane got his Cricket out and took Marcel, Al, and Ken for a ride around the campground. That poor Cricket was so glad when Duane dropped off the three guys.

Saturday night we enjoyed a burger and hot dog dinner with all the fixings grilled up by Joe Brower. Everyone enjoyed the elk burgers. After dinner we sat around the campfire and enjoyed each other’s company.

Sunday dawned bright and beautiful. We had a great breakfast before saying our goodbyes.

Thirteen members of Rhody Winnies gathered together on July 10-12 at the Mohagen Sun Casino in Uncasville, CT. The Casino provides free parking for RVs as well as a shuttle service to the casino. As soon as the rain broke, the group got together for great conversation prior to dinner. The group then made their way to the casino to enjoy the casino’s buffet, which everyone enjoyed as well as a night of trying their luck in the casino. The following day the group enjoyed a leisurely time together and then went back to the casino. Bobby Flay’s Burger Palace was the choice for dinner. This was a great choice—everyone was pleased with their burger selections. The evening continued with trying our luck at the casino again. Well, there were no big losers and no one will be upgrading their RVs with any winnings either. It was a great time for all.

The Nor-Tex Travelers crossed the Red River to join forces with the two OK chapters, Green Country and Sooner Schooners, at the Windstar RV park in OK. It was our very own version of “Hot August Nights.” Although the park lacks a full kitchen, they offered us their charcoal grill for burgers one night and potluck the other, which made meals easy. There is a large breezeway by the pool and we had a close game of beanbag baseball with the guys just barely edging out the gals. Activities included golf Friday morning; a trip to nearby Sanger, TX for lunch at Sarah’s on the Square and shopping afterwards; card games; cooling off in the salt water pool; and, of course, a trip to the casino to donate to the local economy.

It was a fun way to meet our neighbors to the north and foster lasting friendships. Of course, Gary Rigby, President of the TX W Club, did have to do a moderate amount of gloating over TX winning the head of row decorating contest at GNR. He proudly showed a framed photo of the “longhorn saloon” complete with its cast of shady characters.

There were ten members present. Tom and Janice Walker were the hosts. We enjoyed visiting, games, and food. Winners of the games were: first place, Tom Walker, and second place, Keith Waldron. They were given beautiful candle arrangements put together by Janice.

Saturday evening’s door prize was given to Glen and June Hamblin. It was a fold-up footstool. We also had a want ‘NOT’ table Saturday where everyone brought something they no longer used. We all left with something nice.

June: Lake Champlain WIT from VT has had a busy summer. Kris Cecchini hosted a rally on June 26-28 at Abel Mountain Campground in Brantree, VT. The campground was heavily damaged by Hurricane Irene two years ago and we wanted to give them our support as they reopened. After weeks of rain, we had a beautiful weekend that included winetasting with wine provided by Fresh Tracks Winery.
in Berlin, VT; a visit to a local farmers market and thrift shop; morning pastries; and a potluck supper, with lots of visiting and relaxing.

July: On July 26-28, Doug and Pat Richmond hosted a rally at Malletts Bay Campground in Colchester, VT. This was again a beautiful weekend with more relaxing and conversation. Pat made a variety of muffins for mornings and campfires were held both evenings. The campground is right across from Lake Champlain, providing a backdrop of blue skies, blue water, and sailboats.

Northern New England Rally: This year was VT’s turn to host the Northern New England Rally with a 50s and 60s theme. We had 60 RVs in attendance from: MA, NH CT, RI, ME, CA, FL, MI, PA, VA, and, of course, VT. Most people came in a day early on Thursday and we had a delicious potluck supper that night. There were several seminars for everyone to enjoy. There was time set aside for guests to explore our beautiful Lake Champlain area.

In keeping with our theme, Friday night supper featured burgers, hot dogs, fries, and root beer floats. This was followed by a sock hop with many people in their favorite attire from that era. We rocked and rolled, strolled, and twisted the night away. Some of us realized we are not as young as we used to be!

On Saturday morning, the club served breakfast. Eastern Area Reps, Becky and Butch Moore, opened the WIT store and later did a seminar on WIT. The ice cream for our ice cream social was provided by Ben and Jerry’s. For Saturday’s supper, we enjoyed a barbecue. The entertainment for Saturday evening was Bill McGrath’s tribute to Elvis and Friends, by far the most popular event at the rally. He sang his way through a multitude of Elvis tunes with great interaction with the audience. He even passed out sweaty “towels” (actually toilet paper—he has a budget) to some of the ladies. His wife sang a tribute to Roy Orbison with her alto and tremolo voice, and Bill returned to honor Johnny Cash and other singers of his era. The highlight was Bill dressed as “Fatsy” Cline singing “She’s Got You”—quite impossible to describe.

After coffee and donuts on Sunday morning, closing ceremonies were held, our guests and friends left, and we celebrated a fun and enjoyable rally.

Ye Ole Virginia Winnie Tascas
State Club
By Phil Hannaford

GNR was a wonderful event again this year. We had nineteen coaches from VA including: Hannaford, Montgomery, Doerschug, Fleming, Morgan, McBride, Matheny, Carpenter, Wright, Simmons, Lachance, Potts, Lord, and Barnes.

President Phil and Glenda did their head of row duties including organizing prep of VA ham sandwiches for the Tuesday row party. Everyone pitched in to help. Coupled with 25 pounds of VA, we had no leftovers!

Glenda kept the margaritas flowing all week for us, as well as senior Winnebago folks who dropped by daily.

We ate at area restaurants and on the grounds. We went to the Puckerbrush parade, ate chicken in the town square, saw a great concert, and even greater fireworks at Pammel Park. We all got some sort of RV service, saw old friends, and were well.

There were several seminars that were enjoyed by all as well as all the vendors in the main hall.

Best New Idea: Winnebago scheduled individual presentations on each of their new models. Great idea!

All VA clubs won “Chapter of Excellence” this year. Well done to all!!

Rainier Ramblers
Local Chapter
By Robyn Gleim

August: Throughout the day on Thursday, Aug. 8, the happy hour circle of chairs at American Sunset RV in Westport, WA got bigger and bigger as seven Rainier Rambler coaches settled in for a fun weekend at the ocean. After visiting and catching up on the latest news, the group walked across the street for pizza or seafood. Apparently the food, storytelling, and laughter were quite satisfying since everyone headed into their rigs when we got back.

Friday morning found the group at Jerry’s truck for coffee and making plans for the day. Most everyone found their way to the fishing docks and to the stores in and about Westport. There was a good collection of trinkets, sausage, oysters, crab, and wine that found its way back to the park in time for happy hour. Dinner was potluck followed by some rousing games.

Saturday morning the group drove to the old Tokeland Hotel for a great family-style breakfast. After breakfast, some members headed for the beach and sightseeing and others headed to the nearby casino to try their luck. Everyone found their way back to camp for happy hour and a great taco dinner provided by the wagonmasters and supplemented by sides and desserts from the other attendees. Another game ended another fun day at the ocean.

Friday morning was a get-away breakfast and on the road home.

July: July found the Rainier Ramblers enjoying the scenery and the weather in the Columbia River Gorge at Timberlake RV. The park is beautiful, well-kept, and friendly; and the park owner, LeRoy, is a gracious host. Seven coaches participated in the weekend, including two who were checking us out! I think we made a favorable impression as they both say they’re coming back. Welcome to John and Karen Gerrits and Karen LaFe, we loved getting to know you and we’re looking forward to more fun ahead.

Friday and Saturday attendees went in various directions to explore the area and some stayed in camp to enjoy the RV park’s quiet scenery and got to know one another better. In the warm afternoons, all gathered to tell tales, share experiences, and enjoy one another’s company. In the evenings, we gathered in the clubhouse for libations and dinner, and our potential new members introduced us to an interesting beverage and a new card game.

As some prepared to leave, we paused Sunday for a breakfast, provided by our wagonmasters, Joe and Carol Robel. It was a beautiful, fun weekend!

San Juanderers
Local Chapter By Cheryl Rodewald

This was a dual outing with the San Juanderers and Evergreen Winnies and it turned out to be a wonderful weekend. It was a great opportunity to really get to know members of another chapter. The five San Juanderer rigs and nine Winnie rigs arrived Wednesday.

Wednesday evening everyone met for happy hour and an overview of the weekend by host Tom Rodewald. Thursday was free time to explore the area with several folks driving into Canada to enjoy the upper Okanagan.
countryside and their beer. Again, everyone met for happy hour and a potluck dinner which was enjoyed by all.

Friday and Saturday were days to enjoy the Stampede Rodeo and the famous suicide race, which was won by the same horse and rider on three nights.

Saturday, the members were treated to brunch by hosts Tom and Cheryl Rodewald and Dennis and Claudine Morasch. Sunday morning the hosts also treated all to a grab-and-go breakfast before departing for home or elsewhere.

Sun Catchers
Local Chapter By Jill Wells

Ten Sun Catcher coaches attended the July outing which was held at the Rest A While RV Park in Hoodsport, WA. The attendees were: Dave and Mary Adolphsen, Dave and Judy Beatty, Bob and Clarajane Goux, Bob and Linda Grass, Andy Karlsnes, Tom and Fran Murkowski, John and Dorothy Phillips, Bruce and Sue Purdy, Dave and Ann Salmon, and Tim and Jill Wells. The majority of the club arrived on Thursday and the rest arrived on Friday and Saturday. This year we were on the water side of the park with a great view of the water.

On Friday some of the gals went into Hoodsport and toured the little shops that were there while the rest enjoyed the sunshine. For lunch the group went across the road from the park and had lunch at the Tidewaters Restaurant. Dave and Ann Salmon were our hosts for the weekend and barbecued for dinner.

Saturday brought us another day of glorious weather. Some of us got a little too much of the sun but nothing that a little suntan lotion won’t take care of. Some members had gone into Shelton and explored a quilt shop, secondhand store, and a dollar store. Some took a trip into Olympia to exchange a TV while others again enjoyed the weather. Andy Karlsnes and Dave Beatty brought out their remote controlled cars and were racing around the parking lot. Saturday afternoon brought us some nice surprises by having Jim and Peg Brown and also Lee and Norma Ingraham stop by for a visit. For Saturday dinner, each couple chipped in to buy supper. After dinner some members played games, some watched the sunset, and some retired to their rigs.

Sunday morning came and as usual, we had to say goodbye and wish everyone a safe journey home.

Our second campout of the year was held June 20-22 at the Turtle Lake RV Campground in Turtle Lake, WI. It was very special as Northern Lights celebrated its 15-year anniversary as a chapter! We had a total of nine coaches with a few arriving a day early and the rest coming on Thursday. Members, Joe and Vicki Vinopal; who live nearby and honorary member, Mary Lou Pabst, and friend, Dave, joined us for a potluck on Thursday evening, which included a great tasting anniversary cake. Later on some members went to try their luck at a nearby casino while others played cards or other games.

Friday morning we all enjoyed a great breakfast served by our hosts which was followed by our chapter meeting. The meeting was followed by games and just plain ol’ good conversation among members. After a social hour on Friday afternoon, we all went to the casino for a wonderful fish fry or a selection of your choice from the menu. A shuttle bus was available for those who did not wish to take their vehicle. Those who felt lucky stayed to play their favorite slots or table games while others returned to play games of their choice.

Saturday morning, after saying our goodbyes, everyone departed their separate ways.
CANADA CHAPTERS

ALBERTA
Alberta Wild Rose WIT
By Donna Schmidt

We had a change of plans for our June 21-23 outing. We were to go to Nakoda Casino near Canmore until we found out there was going to be a Rave going on that weekend. Bill and Donna Eitzen so graciously offered us the use of their farm instead—and what a weekend it was.

Friday night started out with walking tacos supplied by Donna Eitzen, with a bit of help from Val and Terry. Saturday morning Maurice and Richard dared to tackle the very flooded Acme Golf Course. I think they said they quit counting after hole six. When they came back, Donna made bannock for the group. Of course, we all ate too much. Saturday evening we all brought our own steaks to barbecue. The ladies supplied potluck to go along with the steaks. And if you think the eating ended here, you were mistaken.

Sunday morning it was a full breakfast. It was a weekend to remember. Thanks again to Bill and Donna.

SPECIAL INTEREST CLUBS

NetWIT Club
By Stephen Pacheco

Well, another GNR has come to an end. It was a great two weeks in Forest City.

Everyone got to make new friends and renew old friendships. As usual, row party night was great. Many states had interesting decorations for the Wild West theme as well as good eats. I'm not sure what to expect for next year's theme of Out Of This World, but I'm sure that the imaginations are already at work.

NetWIT ran six sessions that included such topics as: IPad/IPhone intro, Windows 7 and 8, cloud discussions, digital camera techniques, and Picasa. All sessions were full; we will see if there is anything we can do to increase capacity for next year. For those of you who attended our seminars, thanks for coming and we certainly hope that you found them informative. Please provide me with any comments or critiques related to this year's sessions.

WIT SINGERS
By Karen Hargrove

The WIT Singers were busy learning their music before the GNR WIT Rally began. WIT Singers President, Mary Harms, was busy preparing the group by sending information in emails and mailing sheet music to the members so we could be familiarizing ourselves with all the songs.

Mary spent a lot of time finding the music, getting permissions for the songs, printing, organizing, and mailing music to the members. That resulted in many people saying they thought it was the best singing they had heard yet.

The WIT Singers were excited to participate in the Puckerbrush Parade in Forest City and had a great time serenading along the parade route with Don’t Fence Me In. The group met Saturday morning prior to the parade to help decorate the float. The float’s decorations were in the western theme and the WIT Singers were dressed straight out of the old west and enjoyed throwing candy to the kids along the parade route. Randall Weller pulled the float, as he has done before, while his wife, Phyllis, accompanied the group on the piano, as she did for all of GNR WIT Singer performances.

The group performed for the church service on Sunday, singing some beautiful hymns for, and with, the congregation. Our own Randall Weller gave a wonderful sermon which related to the old west.

At the GNR opening ceremony, the group sang a tribute to our military with a medley of the theme songs of our military

branches as Bill Spear of MILWIT recognized the armed forces and asked for prior military members to stand as their branch was announced. We also sang the national anthems of the USA and Canada. It was very moving. The group went on to sing many western songs and a quartet of Randall Weller, Mary Harms, Mike Hadel, and Linda Ferjak also performed Tumblin' Tumbleweeds. Songs were intertwined with jokes by Mary Harms with an old west theme and the crowd laughed and applauded heartily.

The group had several practices during GNR. The practice that included our general meeting ended with a pizza party at Banks Steak House at the Lodge and the spouses were included. Many of the members brought desserts and drinks were available from the Banks Steak House bar, if the participants so desired. At our meeting, new officers were elected. Mary Harms was re-elected as president, Randall Weller was elected vice president, and Karen Hargrove was elected secretary/treasurer. The group again elected to donate to the GNR Youth. The group was in total agreement about the great job done for the youth at GNR. We were thrilled to welcome many new members.

The WIT Singers also performed for 50 minutes at the entertainment tent. During the performance of Rhinestone Cowboy, our own rhinestone cowboy came out from behind the stage with his rhinestone shirt and hatband, interacting with the audience and eliciting loud laughter from all. Also, during that time, a trio consisting of Randall Weller, Mike Hadel, and Linda Ferjak performed Ghost Riders in the Sky.

On Friday during closing ceremony, the group sang America and also Happy Trails as everyone was leaving. It was very sad for GNR to be over and we look forward to next year.

Belated Thank You!

The WIT Club would like to apologize for omitting the Oklahoma Okiebagos State Club from the list of those who donated to the GNR Youth Program! Thank you Okiebagos!
Show & Tell at McClain’s RV Superstore

The Sooner Schooners held their “Show and Tell” of the season at McClain’s RV Superstore in Oklahoma City on Aug. 16-17, 2013. ‘Set up day’ began on Thursday Aug. 15 by purchasing hamburger, chicken and other taste tempting morsels. We had 22 enthusiastic volunteers show up to help run the event. Our Host, McClain’s RV Superstore opened their doors and heart to our Chapter.

The event was very ‘special’ this year. In addition to interacting with the general public and promoting the RV Lifestyle, we also were able to celebrate McClain’s 50th Year Anniversary.

The turnout of prospective customers for the event was great and the food was super. These events go a long way to promote the RV Lifestyle and also to establish lifelong friendships. We look forward to many more events at McClain’s!

Show & Tell at Birch Run General RV

What a great turnout for our Show and Tell at Birch Run General RV on Saturday, June 8. Twenty-seven people attended and we got them all in the picture except for Miriam Tucker. (She was reported MIA at the outlet mall.) It was wonderful to see former members and WWW officers Mike and Vicki Estep. The person with the best smile was the lovely girl from General RV who took the picture.

First we were given goodie bags with two hats, two red cups, and two cozies. They gave one bag to each of us. We were treated to a great meal of hamburgers, hot dogs, brats, and a variety of chips, Amish baked beans and potato salad, and two kinds of cookies. We didn’t sell a motor home, but it wasn’t for lack of trying! Thanks Birch Run General RV!

Chicken Mull

Chicken Mull is a recipe native to Georgia, more specifically to Athens and the surrounding area. Though many in the Winnie Rebel group had never tasted it (or heard of it) until their outing, they said it was quite delicious and is often served at church dinners. This recipe below is modified from the large group version they had at their outing. Enjoy!

- 1 whole roasting chicken (4-5 pounds)
- 2-3 cups chicken stock or broth
- 2 cans evaporated milk or 3-1/2 cups milk or cream
- 2-3 sleeves saltine crackers (or crackers of choice)
- Salt and pepper to taste

Boil chicken in deep pot with enough water to cover until it falls off the bone. Remove meat from the bone and shred.

Strain stock back into cooking pot, add shredded meat, milk and additional broth. Let cook to a simmer, add crushed crackers and salt and pepper and cook to desired thickness.

Add more crackers if needed. Serve with hot sauce and extra crackers if desired.

This Road Bites recipe comes to us from Theda Chambless, W091510, of Georgia. She first tried the recipe at a Georgia Winnie Rebel State Outing this spring.

Texas W Club Rally
Mineola, TX
Oct 18-20, 2013

CARVE OUT SOME GOOD TIMES and celebrate Halloween with the Texas W Club at the Mineola Civic Center, 1150 N. Newsome in Mineola, TX 75773. Mineola lies at the junction of US highways 69 & 80, eighty miles east of Dallas. Come enjoy that “old town feeling” while walking the brick streets of downtown, visiting their unique shops or just relaxing at a good restaurant.

Our rally officially kicks off Friday, October 18th with opening ceremonies, however, as a convenience to early arrivals the civic center hall will open on Thursday, October 17th for games and fellowship. Early arrivals pay an additional $25 nightly camping fee. The following pre-rally events are available: on Wednesday morning a visit to nearby Grand Saline is scheduled to see the Salt Palace and then to the East Texas Wildlife & Gator Park. There is no charge. Thursday, join us for a tour of the famous Tyler Rose Garden and Museum followed by a tour of the Shady Oaks Ranch, a true Texas grass fed beef operation. There will be a charge of $3.00 for the Rose Museum to be collected at the door. You will have ample opportunity to purchase beef at the Shady Oaks Ranch and Texas W will bring coolers for the return trip to the rally. Details will follow. Please visit our website at texasw.org for upcoming details.

Friday activities include crafts, a pumpkin carving contest, games including new this year a Wii bowling tournament, ongoing silent auction with all proceeds benefiting the Wounded Warrior Project, an electrical seminar with Darrell Carver, a “how to training” for iPad/iPhone seminar with Retha Moulder, book exchange, vendors and more. Dinner Friday is traditional pot luck. Please bring only a side salad, vegetable or dessert to share and bring your set ups. Meat dishes and beverages will be provided. After dinner watch for a “strange visitor” to arrive with his friends.

Saturday activities planned are a catered breakfast followed by a Sky Med presentation, more games, a Pampered Chef cooking demonstration, the ongoing silent auction and of course an ice cream social. Don’t forget to check out our vendors and new coach displays compliments of McClain’s RV. The evening meal will be catered. Please join in the fun and come dressed as your favorite Halloween character or otherwise and do the “Monster Mash” to the sounds of Mr. C.

Sunday brings coffee and donuts prior to a devotional by our chaplain, Steve Ferguson.

The Rally fee is $145.00

The fee includes camping with full hookups, 1 breakfast, 1 evening meal, coffee and donuts on Sunday. Please note that the sites in the circle at Mineola Civic Center are 50 amp only and pig tails are required for 30 amp.

Spread the word! WIT Club Tours is now open to any RVer to join our fun! Based on the success of allowing WIT Club members to sponsor non-members on an event, WIT Club Tours now invites any RVer regardless of brand to join a WIT Club Tours caravan or rally at anytime. This change eliminates the restriction that a WIT Club member on the same caravan or rally must sponsor an “other brand” RV owner wishing to participate in the caravan or rally.
As always, WIT Club members will receive attractive Rally and Caravan pricing as a benefit.

WHY SHOULD I SIGN UP for a RALLY or CARAVAN
Instead of doing the TOUR on my OWN

You will see sights and travel to areas you might not see and travel to on your own. We have been there and know the important things to see and do. Traveling with a caravan or attending a rally removes the uncertainties of stress when traveling in an unfamiliar area. WIT Club Tours has done the research and planning, making campground reservations, providing meals at some of the best restaurants in town, providing guided tours and sightseeing excursions.

You will learn more about the area than you could learn on your own during your tours with the narration of local guides, some who actually have come out of retirement only to do step-on guide service for the WIT Club.

You will meet and travel with other guests from all over the United States and Canada, experiencing more fun than you ever imagined, and develop friendships that will no doubt last for years.

WHAT IS THE DIFFERENCE BETWEEN A RALLY AND CARAVAN? A rally will take place in one city location - usually lasts from 4-15 days. During a caravan you will travel from city to city. The duration of a caravan can be from 14 - 50 days.

WHERE CAN I FIND OUT MORE INFORMATION ON THE EVENTS? In the WIT Club News or on our web site at www.witclub.com. Click on the WIT Tours tab to learn more about the events.

HOW DO I SIGN UP FOR A WIT EVENT? You can sign up for a WIT Club Tours event by calling the WIT Club office at (641) 585-6267, or by filling out a registration form found in the WIT Club News or on our WIT Club Web site. Mail your registration form to WIT Club Rallies and Caravans, PO 268, Forest City, IA 50436-0268.

HOW MUCH DOES THE EVENT COST? The cost of each event is noted in the WIT Club News, and on our Web site. Payments must be made in United States Currency and sent to the WIT office.

WHAT IS INCLUDED IN THE EVENT COST? Camping fees, which include hookups when available, admission to attractions, busing, tours, and meals noted in itinerary, taxes and gratuities.

WHERE AND WHEN WILL WE MAKE THE INITIAL DEPOSIT AND FINAL PAYMENT? When you register for an event a $100.00 deposit is due unless stated otherwise in the event article. When the WIT Club Tours office receives your reservation form you will receive confirmation by e-mail noting full payment of balance which is due 75 days prior to the start of the event unless otherwise stated.

HOW MANY MOTOR HOMES DO YOU TAKE ON A CARAVAN? 22 – 25 maximum.

HOW MANY MOTOR HOMES DO YOU TAKE ON A RALLY? Most rallies are 22 maximum. There are a few rallies like the San Antonio Fiesta, Albuquerque Balloon Fiesta, and Washington D.C., where we will take more than 22.

HOW MANY MILES DO YOU TRAVEL IN A CARAVAN? When traveling from campground to campground - 150 average. It can be as few as 40 miles or up to 350 miles in a day. Total miles traveled in a caravan can be anywhere from 380 miles to over 4,000 miles.

WHO WILL HOST THIS EVENT? On a rally you will have your rally hosts. On a caravan you will have your caravan hosts and tailenders.

To avoid canceling a caravan, WIT Club Tours may run a caravan with only one host couple if we do not receive the minimum number of RV reservations required to run the event.
ARE THE CARAVAN/RALLY HOSTS AND TAILENDERS COMPETENT AND EXPERIENCED? Yes. We choose top quality people who are professionals possessing outstanding leadership skills. All have had hands on training and experience, and are eager to make your trip the most memorable of all.

WHERE AND WHEN DO WE MEET FOR THE BEGINNING OF THE RALLY/CARAVAN? At rendezvous campground noted in the Sneak Preview sent out by e-mail approximately 6 weeks prior to the first day of the event. Directions to the campground will be included in your information.

WILL WE GET TO KNOW THE OTHER PEOPLE ON THE RALLY/CARAVAN? Definitely - A “Who’s Who List” informing of the name and address of members registered on the event will be sent out with the Sneak Preview information. Some rally/caravan participants will arrive at the rendezvous campground a day or two early just to meet those signed up for the event. Reservations and campground expense for early arrival are your responsibility. Socials will also be held during the event as a way to get to know other participants.

WILL I NEED A PASSPORT WHEN TRAVELING OUTSIDE OF THE UNITED STATES? It is required for all travelers to have a valid passport for identification when traveling outside of the United States.

For information on how to obtain a passport, see the State Department’s travel Web site or CIBT (Expedia’s passport partner), or call the U.S. National Passport Information Center: 1-877-4USA-PPT; TDD/TTY: 1-888-874-7793.

Keep in mind you need to allow time for your passport to be processed which can take weeks.

WHAT KIND OF INSURANCE DO I NEED ON MY RV? U.S. motorists planning to travel in Canada need to obtain a Canadian Non-Resident Inter-Provincial Motor Vehicle Liability Insurance Card which is accepted as evidence of financial responsibility anywhere in Canada. It is available only in the U.S. through your insurance company or their insurance agents.

U.S. motorists planning to travel in Mexico are required to have liability insurance (minimum) issued through a Mexican company. Liability policies provide NO coverage for collision, overturning, fire, etc. Full coverage insurance is available. You will want to check with your own insurance company to see if you are covered when traveling in Canada and Mexico.

WHAT DO I NEED TO DO TO GET READY FOR OUR TRIP? Information on what to expect during your trip, emergency phone numbers, a list of campgrounds with their addresses during the tour, proper clothing attire, and other necessities you will want to bring will be included in your Sneak Preview sent out by e-mail approximately 6 weeks prior to the beginning of the event.

DURING A CARAVAN WILL THERE BE TIME IN THE SCHEDULE AND PLACES FOR ME TO GET MY HAIR OR NAILS DONE EACH WEEK? We do our best to provide free days in areas providing facilities for your personal needs.

TOW CARS. Tow cars are recommended as there may be areas you may want to tour on your own during a free day that you are unable to take your motor home.

MAY I BRING MY PET ALONG? Pets are welcome. Please understand that you are responsible for your pet.

WHAT HAPPENS IF I CANCEL THE TRIP? WIT Club Tours will retain a $35.00 cancellation fee if your reservation is cancelled prior to final payment deadline. If your reservation is cancelled 7 to 14 days prior to the start of an event for any reason, WIT Club Tours will retain a $35.00 cancellation fee, plus 10% of the full cost of the event, plus charges incurred from guarantees and/or deposits made for registrant. Cancellation 14 days or less prior to start of the event for any reason, WIT Club Tours will retain a $35.00 cancellation fee, 20% of full cost of the event, plus charges incurred from guarantees and/or deposits made for registrant.

WHAT HAPPENS IF I HAVE TO LEAVE THE EVENT BEFORE IT IS OVER AND RETURN HOME? We have had cases where there is a death in the family, medical emergency, motor home breakdown, or an accident involving a motor home causing the participant to leave the event early. If this were to happen to you, you will sign a “Release From Event Form” releasing the WIT Club and Winnebago Industries of any liability concerning the event, with the understanding you will not receive a refund for monies paid to WIT Club Tours for the event. We encourage you to have Trip Cancellation Insurance, as there are no refunds once the event starts.

TOUR CANCELLATION INSURANCE - Cancellation insurance can be purchased through Farm and City Insurance. For a quote, and to understand what is covered, and what is not covered, call 1-800-331-1520.

- The care provider is responsible for assisting you with your special needs.
- Wheelchairs are to be collapsible for loading and unloading of buses.
- If you are on a special diet and cannot eat certain foods, you are to inform the WIT Tours office before the tour begins, and come prepared to substitute your own food if vendors will not substitute certain foods for you.

Galveston is one of the most historic cities in Texas. From its time as a major 1800s era shipping port, through the 1900 hurricane and up until modern day, Galveston has played a large role in shaping Texas history. Luckily, a good number of the landmarks and buildings that played a role in this history are still around today. WIT Club Tours has put together a tour of this small romantic island tucked deep within the heart of south Texas designed to captivate you with its natural beauty, eccentric charm and traditional Texas-style hospitality.

Your city tour of Galveston will include Bishop’s Palace, Galveston’s grandest and best-known building completed in 1893, The Great 1900 Storm at Pier 21 Theater where you will learn how a city with the second highest income per capita in the U.S. went from riches to ruins in a single night, a narration of the building of Seawall Blvd, the Mansions of Broadway Ave, Historic Stand District with shopping, museums, and restaurants, the Historic Downtown District, and more.

During your Galveston Harbor Tour you will see ships and seabirds, dolphins and drilling rigs in an hour of harbor history, folklore, wildlife adventure and more!

You will spend a day at Moody Gardens, a 242 acre complex featuring three shimmering glass pyramids containing fascinating exhibits, the Rainforest Pyramid, The Aquarium Pyramid, and the Discovery Pyramid plus a 3-D IMAX Theater, and a paddlewheel boat cruise.

Your tour will include a day-trip to Houston, TX where you will tour the Space Center Houston – NASA. Space Center Houston is a place where people can experience space – from its dramatic history and exciting present to its compelling future. Space Center Houston is the only place on earth that gives guests an out-of-this-world journey through human adventures into space.

You will enjoy evening dinner at the Aquarium Restaurant seated around a 50,000 gallon centerpiece aquarium, which allows exceptional floor-to-ceiling viewing of more than 100 species of colorful tropical fish from the Caribbean Sea, Hawaii, South Pacific and the Indian Ocean.

You will tour the 20-room Moody Mansion depicting the home life of the powerful Moody Texas family, experience an offshore adventure at a one-of-a-kind facility giving you the opportunity to learn about the offshore oil and gas industry, all while being aboard a retired jack-up drilling rig, and enjoy another perspective of Galveston during your Galveston Island Duck Tour.

You will have one free day to relax on the beach, tour the area on your own, or discover beautiful and interesting objects on display at Galveston Island’s myriad of shops.

Norsk Høstfest (Norwegian language) is an annual festival held each fall in Minot, North Dakota. It is North America’s largest Scandinavian festival. The event is conducted in the All Seasons Arena on the grounds of the North Dakota State Fair in Minot, North Dakota. Tens of thousands of people attend the Norsk Hostfest to celebrate and partake in the Scandinavian culture and entertainment. Altogether it has hosted cultural touchstones from Iceland, Denmark, Norway, Sweden, Finland, Estonia, Greenland, Estonia, Greenland, Aland, Faroe Islands, German speaking Europe, and the Netherlands.

Shop Nordic Treasures.

The Nordic history and heritage are alive from the Clog Shop and the Import Shop to the Sølje Shop and the General Store. Unique and fascinating shops abound in the International Marketplace. Buy silver jewelry, Norwegian sweaters, authentic Scandinavian gifts, fine art and souvenirs.

Enticing Fare

The cuisine cannot be matched — And you won’t find such a wide variety of authentic Scandinavian food anywhere else in North America. People come to Norsk Hostfest just for the superb fare! Choose from four sidewalk cafes, The Scandinavian Kitchen, Swedish Bakery and many more. Indulge in such culinary favorites as Danish Aebelskivers, Lutefisk, Lefse, Oof-Da Tacos, Rice Pudding, Swedish Meatballs and Viking-on-a-Stick.

The Experience

Feel the warmth of the Scandinavian hospitality at Norsk Høstfest as you meet and make new friends. There is a tradition of introducing yourself with, “Hi, and where are you from?” And you’ll hear it often. If you participate and ask the right person, that person being the “Mystery Viking,” you’ll win $100! A surprise and potential new friend is around every corner. Dance with a troll or play “Knock The Fleas Off The Black Plague Rat!” Camaraderie — This is what Norsk Høstfest is all about.

Your Hostfest experience will include shuttle bus service from your camping area to the Hostfest’s main door, international shopping at the Viking Market, celebrity chefs, and three Great Hall performances.

YOUR RALLY PRICE INCLUDES:

- Convenient RV parking on the festival grounds for 5-nights with 30 amp electric service (Water & dump available)
- Welcome dinner
- RV Hospitality Center
- 4 day admission to the Hostfest
- Reserved seating at 3-World Class Entertainment Shows in the Great Hall
- Farewell dinner
- Rally host
- Taxes and gratuities

Due to your requests, in 2014 WIT Club Tours will purchase tickets to three of the five shows in the Great Hall and 2 days of General Admission Tickets. WIT members will have the option to buy tickets for the two remaining shows not included in your rally price. For an additional charge, you can exchange your general admission ticket for the show ticket, which also includes admission for that day at the Hostfest. You will be responsible for payment of the exchange. Entertainers in the Great Hall for 2014 will be announced when available.
